UIDAI Aadhaar Enrolment and Update Standard Operating Procedures

Unique Identification Authority of India (UIDAI) issues Aadhaar, a 12-digit unique identity number.

Enrolment for Aadhaar is completely free of charge at all authorized Aadhaar Seva Kendras.

Demographic updates include name, address, date of birth, gender, mobile number and email ID.

Name change is permitted only two times in a lifetime. Valid proof of identity like passport, PAN card, or marksheet is required.

Date of birth update is allowed only once in a lifetime with valid birth certificate or matriculation marksheet.

Mandatory biometric update for children is required at age 5 and age 15, and is completely free of cost.

Demographic update fee is 50 rupees and biometric update fee is 100 rupees at official centers.
